

## Our Re-Opening...

As we work through our efforts to re-open, we felt it was necessary to outline the adjustments to business we need to make to keep ourselves and you, the public, safe from COVID-19.

**We will officially re-open the facility on July 12th.** The number of classes that will be available will be dependent upon the teachers/organizers and their ability to comply with any specific State safety guidelines that must be implemented for their specific activity.

As the facility, we will be responsible for common areas and access to the center. **These are the requirements that attendees must meet, every time, to just come in the facility:**

- Face coverings required (over the age of 2)
- Check in at the front door for:
  - ⇒ Temperature check. Anyone at 100.4 degrees or higher will not be allowed in.
  - ⇒ Hand sanitizer
  - ⇒ Contact information for all in a family group (email and cell phone for at least 1 in the group)
  - ⇒ COVID information and Waiver signature
- Lower occupancy

**Our staff will be taking these extra precautions:**

- ◇ Employees will be wiping down door knobs, counters and bathroom sinks and doors hourly.
- ◇ Employees will be required to wear face coverings and gloves when interacting with the public.
- ◇ The community water fountain will not be in use so please bring your own water

**Our teachers/event organizers will be managing any special requirements for their activity based on State guidelines. They may need to implement things like:**

- ◇ Any additional covering/glove requirements.
- ◇ Any limitations on high touch activities.
- ◇ Any required spacing for the activities.
- ◇ Solo entry (no family members with you not involved in the activity).

At this point, classes that will begin mid July include our Ceramics class, Zumba (in facility and on Zoom), yoga and church services. If you'd like specific information on class times and cost please call the facility at 951-471-4407. There may be a need to RSVP for some classes based on limited spaces.

We are excited to begin serving the public again. At this time, we are NOT taking reservations for large group or party rental of our facility.

Thank you for your support. We look forward to seeing everyone again, keeping focused on appropriate safety for all.

951-471-4407
